

Jean-Numa Lapeyre, Ph.D.

## APPENDIX

### Biographical Sketches:

- 1) Jean-Numa Lapeyre, Ph.D.
- 2) Antonio Milici, M.D./Ph.D.

### Publications:

- I. Rachal MJ, Yoo H, Becker FF, Lapeyre J-N. In vitro DNA cytosine methylation of cis-regulatory elements modulates c-Ha-ras promoter activity in vivo. 17:5135-5147, 1989.
- II. Milici A, Maaroui M, Holton P, Lapeyre J-N. Genomic sequencing and PCR analysis reveal a different structure in the promoter region of the human H-ras protooncogene. (Submitted, November 1989)
- III. Rachal MJ, Holton P, Lapeyre J-N. Cytosine methylation in H-ras promoter region: Changes in DNA conformation and relative binding affinity. (Submitted, November 1989)
